PORVOO

MY POINT / “STUDY MOTIVATION MACHINE”

- **Students have participated in formulating questions and linguistic content**
- **Can be answered in Finnish, Swedish or English**
- **Has received positive feedback in yearly student questionnaire**
- **All students fill the questionnaire when beginning their studies. Target is to increase study motivation and wake up thoughts on learning processes.**
- **The results are personal and individual.**

MY POINT / “STUDY MOTIVATION MACHINE”

- Developed in cooperation with ZEF Ltd (technical app). Development work to be continued
- Has been offered to be used Porvoo city basic education
- Has been presented for 9th graders during their last school year visits to secondary education school/ Point College
- In future the plan is to develop possibility to get a profile for student group to help teachers in choosing learning methods etc.
